PROFILE

Detail-oriented Applied AI & Analytics student at Nanyang Polytechnic with hands-on experience in software testing, full-stack web development and data analytics. Proficient in Python, JavaScript, Flask, React, Snowflake and KNIME. Seeking a 1-year internship to apply my analytical, programming and problem-solving skills while gaining practical industry experience.

WORK EXPERIENCE

IT Software Tester | BeyondSoft
April 2024 – August 2024

- Conducted manual/automated software testing to identify bugs and ensure system stability.
- Documented errors and collaborated with developers to resolve technical issues.

ACHIEVEMENTS AND AWARDS

- ICAS Assessment Mathematics 2020 (UNSW Global)
- All Singapore Secondary Mathematics Competition for Normal Course Students 2020 (Clementi Town Secondary School) - Lower Secondary Normal Academic Team Category
- All Singapore Secondary Mathematics Competition for Normal Course Students 2020 (Clementi Town Secondary School) - Participation in Lower Secondary Normal Academic Individual Category
- Academic Performance Award 2021 (Orchid Park Secondary School)
- Edusave Certificate of Academic Achievement 2022 National Youth Achievement Award 2022 [Bronze]
- Certificate of Achievement - Gold [2023] - By ITE
- Director's List [Apr 2023 - Sep 2023]
- Director's List [Apr 2024 - Sep 2024]
- Edusave Certificate of Academic Achievement 2024
- Edusave Merit Bursary 2024
- Edusave Character Award 2024

EDUCATION

2025 - Current
NANYANG POLYTECHNIC

- Diploma in AI & Analytics

2023 - 2025
ITE COLLEGE WEST

- Higher Nitec in IT Systems and Network

2019 - 2022
ORCHID PARK SECONDARY SCHOOL

- GCE 'N' Level

CERTIFICATIONS

- AI for Industry® – Literacy in AI (AI Singapore) – May 2026
- SnowPro Associate: Platform (Snowflake) – April 2026
- L1 Basic Proficiency in KNIME Analytics Platform (KNIME)

CCA:

ITE:

- Member of Service Ambassador Club (2023 - 2025)
- Member of ACE Club (2023 - 2025)

Orchid Park Secondary School:

- Member of Netball (2019)
- Member of Drama Club (2019-2022)

LANGUAGES

- English
- Chinese

PROJECTS

NOTIFY LEAVE | FULL-STACK WEB APPLICATION

React · JavaScript · Node.js · Express.js · MySQL

- Developed a centralized, automated leave management platform featuring a robust Role-Based Access Control (RBAC) system to streamline employee requests, management approvals, and HR administration.
- Engineered a dynamic, append-only leave ledger for precise balance tracking and auditing, alongside a structured two-tier approval workflow that intelligently routes requests.
- Built real-time manpower metrics and team calendars with region-aware configurations to flag potential headcount shortages and support multi-regional workforces.

BRIDGIFY | FULL-STACK WEB APPLICATION

HTML · CSS · JavaScript · Flask · SQLite

- Developed an intergenerational mentoring platform designed to combat social isolation by connecting seniors and youth through shared skills and digital interaction.
- Engineered a centralized relational database using SQLite to manage user profiles, privacy settings, and community groups.
- Built and deployed interactive features, including a dynamic skills marketplace, a digital journaling space for storytelling, and an event management system with booking calendars.

PHOTOGRAPHY CLUB | FRONT-END WEB DEVELOPMENT

HTML · CSS · JavaScript · Bootstrap

- Designed and coded a fully responsive, multimedia-rich website to market a photography club, adhering to industry-standard IBM SkillsBuild Web Development practices.
- Developed interactive elements, including a custom-built membership interest form that captures and displays user-entered data on a dedicated response page.
- Structured the project architecture strictly using core web technologies to demonstrate strong foundational coding logic and applied UI/UX design principles for high readability.

S K I L L S

Technical

- Programming: Python, JavaScript, SQL, HTML5, CSS3
- Frameworks: React, Node.js, Express.js, Flask, Bootstrap 5, Tailwind CSS
- Data & Databases: MySQL, SQLite, Snowflake, KNIME
- Tools: Git, GitHub, Render, Software Testing

Professional:

- Analytical Problem-Solving, Collaboration, Time Management, Adaptability
